A street cat' s tale support apk

A Street Cat's Tale : support edition - the sad story of how street cats live, how difficult it is for them to find shelter and food, is explained in this game. This game will awaken the intermittent hearts of many of those who throw their Pets on the street as unnecessary garbage. Features: 7 different levels; Find food and shelter; Multiple characters; Replicas with cats; Collect unique items to survive; Home renovation; Reduces the speed of movement of cats in case of severe hunger; Buy band-AIDS and cookies at a nearby store; Save the progress of the game in the appropriate menu on the screen. Download from Google Play Request updateRating: A Street Cat's Tale : Support Edition APK 2.99 (26 MB) Additional Information Requires Android4.1 and later This is a pixel simulation game. In the game, players play cute stray kittens. You have to find dried fish to replenish your energy. Don't let yourself starve to death. This city is very dangerous. Be careful with that vehicle. Cruel dog. In the game, players will continue to search for their mother while working hard to survive. In this game, you talk about meeting different cats and humans, you talk about facing various crises, and the game has a very rich ending. Keep exploring, learn about events, and recommend to players who love simulation games. Mama's cat has gone, how does a baby cat survive every day on the road? ** Please save your game data on the Title Screen before you delete the app to change devices, or upgrade to Support Edition■ Food It is inevitable that most cats living on the street will become stars. They often dig through garbage to find leftovers that they can get. Or sometimes eat delicious canned food from nice humans if they are lucky. ■ Many NPCs Many NPCs with their own personalities. Listen to their stories, get what they want and they might feed you. ■ NPC provides some end what will happen to cats? Will the cat live with humans? Or stay on the streets? It's up to you to guide this poor! *Feemodev donates 10% of the profits from the game to the Paint/Dog shelter. *Supported languages: English, Japanese, Korean*Updated languages: Portuguese, Spanish, Russian, French has been added. (Please understand, that google translator is the best we could do.) [Frequently asked questions] Q)Why is this game so SAD?! Isn't the game supposed to be fun and funny? This game is so traumatizing. A) This game contains the realities of street cat life. Of course, the content of the game is a bit rough or pathetic. And we understand how you feel about it, but we have no plans to change the game or violence because there are messages we want to send through this game. We made this game because we love cats, not because we hate them. I hope that you understand that there are such aspects of street cat life. Thank. Q)I always get a sad ending, how do I get a happy ending? A) Instead of ending 'solitude' and 'rainbow bridge'. rainbow'. 5.6)Ending can be seen by reaching the level of intimacy 7 with a specific NPC (character). However, you can only see one end at a time, so if you target one character at a time, you'll get the ending you want! Q)There is only 'drop' or 'eat' with the item, how do I take it and give it to the NPC? A) If you look at the option to eat or drop, that means you've picked up the item. talk to the collectors and select 'give present' while holding the item. Q)The cat is too slow and hunger shrinks so fast! A) Upgrading your home will help you. Hunger, HP, speed of movement increases every time you improve your home. Q)Where can I get 'gloves' and 'band-aid'? A) gloves and band assistance can be obtained from a store near Doggo. And they are a 50% chance each to get. Q)Why should I start over after the game? A) If the game is over, we assumed that you have finished the game. All progress will be reset except with home improvements. And we thought that it would be weird if everyone would recognize a cat after crossing a rainbow bridge or being adopted by someone. xD Q)I want to buy a support edition, can I continue to play with unexpected storage data? A) Yes you can. Select the 'cloud' icon on the normal version of the title screen and select 'Save' to save the data. Then, select the 'cloud' icon in the same way on the support edition title and 'load' the data to play. Q)I want to help translate your game! A) First of all, we apologize that we are unable to support different languages at this time. Many players have emailed us about language support. Until now, we've been looking for support for a variety of reasons. However, since many players have difficulty waiting for translation, we decided in the future, we would like to appreciate and accept the help of English translation. If you want to give us help for translation, please send an email to feemodev@gmail.com.
